

BOOK DONATIONS

“There is no substitute for books in the life of a child.”
(Mary Ellen Chase)

CHOC Children’s knows the value of books in the life of a child and thus wants our patients to enjoy books during their visits to the doctor. Our outpatient clinics desire to provide good reading material in the waiting rooms and exam rooms. We are happy to receive your book donations to help us do this.

The books that we are able to receive are children’s picture books only—NO chapter books. The donated books can be new or gently used and should be clean and in good condition.

For all donations other than books, please contact CHOC Children’s Hospital—Child Life Department at 714-532-8473.
