

March 24, 2014

Dear Medical Staff Member:

The members of the CHOC Medical Executive Committee and the Administrative Affairs (Bylaws) Committee have completed a comprehensive review and updating of CHOC's Medical Staff Bylaws to ensure compliance with regulatory mandates, recent court decisions, and best practices. Both committees have unanimously recommended approval of the updated bylaws. Enclosed with this letter is a ballot requesting approval of the recommended changes. Because of the large size of CHOC's bylaws, they are available to you electronically, along with a legal brief by the MEC's independent legal counsel. A link to the bylaws and the legal brief can be found at: <http://www.choc.org/professionals/index.cfm?id=P09420> or you may go to <http://www.choc.org/professionals> and click on the Medical Staff link.

To become valid, the proposed changes must be approved by a majority of the votes cast by Active and Community Active medical staff members before being sent on to the Board of Directors.

Please note that the envelope must have **both** your printed name and signature on it to be considered valid. You do not need to sign your ballot. Ballots must be received by Monday, April 14, 2014 at 4 pm in the Medical Staff office.

Thank you for your consideration. If you have questions, please do not hesitate to contact Cyndi Chabot in Medical Staff Services at (714) 509-8407 or Dr. Gibbs at (714) 914-1940.

Sincerely,

CHOC Medical Executive Committee

Administrative Affairs Committee
