

JULY 3

No Grand Rounds - Happy 4th of July!

JULY 10

Role of Genetic Testing in Inherited Cardiovascular Disease

Anjan Batra, MD

*Director, Electrophysiology, CHOC Children's
 Professor of Pediatrics, UC Irvine*

- Recognize the prevalence of SAD.
- Develop a better understanding of the heritable cardiovascular diseases.
- Know how to screen for SAD and when to refer for genetic testing.
- Understand the significance of a positive genetic result.

Successful completion of this CME activity, which includes participation in the activity and individual assessment of and feedback to the learner, enables the learner to earn up to 1.0 MOC points in the American Board of Pediatrics' (ABP) Maintenance of Certification (MOC) program. It is the CME activity provider's responsibility to submit learner completion information to ACCME for the purpose of granting ABP MOC credit.

JULY 17

No Grand Rounds Today!

JULY 24

Measles Update

Jasjit Singh, MD

*Assistant Division Chief, Infectious Diseases, CHOC Children's
 Director, CHOC Infection Prevention and Epidemiology*

- Discuss the recent measles outbreaks
- Identify individuals who are at risk for measles
- Assess the benefits and risks of the measles vaccine and understand why some parents do not want their children to be vaccinated
- Analyze how the resurgence of measles is linked to vaccination rates and vaccine refusal
- Educate and address patients' concerns about vaccinations, while maintaining a culturally-sensitive approach

JULY 31

Fractures that can be Managed in a Pediatrician's Office

Kelly Davis, MD

*Director, Multidisciplinary Lysosomal Storage Disorders Program, CHOC
 Metabolic Disorders, CHOC Children's Specialists*

- Determine which simple fractures don't need an orthopedic referral.
- Care for and manage these simple fractures in the pediatrician's office.

LIVESTREAMING

CHOC @ Mission – Education Center, 5th Floor each Wednesday from 8-9 am.

Off campus - Email your request to CHOCCME@choc.org + sign up for livestreaming from your personal device.

Target Audience: Primary care pediatricians, family practitioners, pediatric subspecialists, pediatric residents and other healthcare professionals involved in the delivery of care to infants and children are also invited.

CHOC is accredited by the Institute for Medical Quality/California Medical Association (IMQ/CMA) to provide continuing medical education for physicians.

CHOC designates each of these live activities for a maximum of 1.0 AMA PRA Category I Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Financial Disclosure: No commercial support was received for these activities.
