Frequently Asked Questions: Parking at CHOC Children's Hospital and CHOC Clinics

Where do I enter the parking garage?

Enter from Providence Avenue or Pepper Street. Use the Pepper Street entrance if you have a disabled parking permit. Speak with a parking attendant if you have an oversized vehicle.

How much does parking cost?

The first 20 minutes are free. For parents and guardians, self-parking is $2 with validation available upon check-in. Visitors to the outpatient pharmacy park for free with validation. For visitors, fees are $6 for 21 minutes to four hours of parking, and $9 for more than four hours. People with lost tickets pay the daily maximum of $9.

Can I buy a parking pass?

Weekly, monthly and quarterly parking passes are available for purchase at the parking booth and valet stands. They cost $10 a week, $30 a month and $75 a quarter. Requests for parking fee waivers are also available. Speak with a customer service staff member, case manager or social worker for more information.

Does CHOC Children's Hospital have valet services?

Valet is available outside the main hospital entrance from 5 a.m. to 8 p.m. Monday through Friday. Valet for drivers going to the emergency department is available 24 hours a day. Use the main or emergency department driveways off of Pepper Street to access valet services.

Valet costs $8 per car, with a $2 reduced rate with a rehabilitation badge, outpatient infusion center hangtag, emergency department validation stamp, or notice from the surgical center.
