- For each stage, you will see a list of items that must be completed before advancing to the next stage. Completed items will have a green check mark next to them, while items that remain to be completed will not have an icon next to them.

Completed stages and content within the stages can be revisited at any time.

The legend for the boxes is as follows:

Icon	Name and Description
	Completed Stage: Indicates a stage is completed and that you may then move to the next stage.
	Current Stage: Indicates that you have more activities to complete in the current stage.
	Future Stage: Indicates a stage is locked and you must complete the previous stage.

Technical Requirements
